v.

CHARLES H. KABLE, Director of the Terrorist Screening Center; in his official capacity, et al.;  
Defendants.

Amicus/Notice 66 – Judge Anthony John Trenga rules that (the Legislation that created) the Terrorism Watch List is Unconstitutional.

Americans will murder every Federal Judge when the truth comes out. I am trying to save the Judges and their family members. Trump, the other Demigods, time, math, etc. will ensure that the truth comes out. (Read the Demigod FBI Director Comey DOJ/IG report about his conduct if you want proof. Comey, the sunarcissist ("A sunarcissist is a narcissist who chooses suicide over honor.") wanted an apology because he was not charged with a crime, yet.)

The Federal Judiciary is responsible for the Terrorism Watch List. (Albeit it has a different name now because of the protection provided by the Federal Judiciary.) The Federal Judiciary has made it impossible for Americana to receive Justice as is their Constitutional Right(s) – First Amendment – Last Sentence – "and to petition the Government for a redress of grievances." I have filed, on behalf of all Americans, "Grievances" in over 150 Federal Cases. The Cancer (Criminally violating the Constitutional Rights of Americans) is systemic within the Federal Government, all three branches. Stockholm Syndrome: The Federal Judiciary sympathizes with their captors, the Executive Branch.

(Ask Judge Emmet G. Sullivan why he allows criminal prosecutor misconduct to run rampant in his courtroom. He did so in the Senator Ted Stevens criminal case and now again in the General Mike Flynn criminal case. The conviction for Stevens was vacated. Will Flynn's guilty plea be vacated? We have Obamacare because of the Stevens conviction. He lost the election and then there was a two-vote swing in the Senate, thus Obamacare passed. Americans did not receive a fair and impartial election as is their Constitutional Right. The Federal Judiciary tampered with the Election. Would Obama have become President if Stevens had not been convicted?)

- American, Hero and Federal Whistleblower Chelsea Manning sits in prison because of Judge Anthony John Trenga.
- American, Hero, Federal Whistleblower Coast Guard Commander William Goetzee was murdered while in Federal custody because of the Federal Judiciary.
- American, Federal Whistleblower Air Force Captain David Andrew Christenson was falsely arrested, placed in isolation and medicated against his will and still he was never charged with a

v.

SENIOR JUDGE CLAUDE M. HILTON

JULIAN PAUL ASSANGE,  
Defendant.

Amicus/Notice 67 – Every Judge is just as crazy and delusional as Trump and just as much a criminal.

Is the following true?

In 2016 did the CIA and the FBI know that Trump was crazy, delusional and a criminal? Yes.

In 2016 did the CIA and the FBI know that Trump was conspiring with the Russians to secure his Presidential Election Victory? Yes. (They also knew that Clinton was crazy, delusional and a criminal but just not as bad as Trump. The least of two evils.)

The CIA could not disclose the truth about Trump and the Russians without breaking the law and disclosing highly classified information. National Security was too important. The FBI tried. (This is why no one in the DOJ/FBI will be charged with a crime. It is also why McCabe and Strzok have been so brazen in filing civil complaints against the DOJ/FBI. It is why Comey thinks he deserves an apology.)

The extraction of the CIA Agent from Russia is amazing. (The truth will come out.)

The following is true.

The courts have protected the criminal conduct of our Government with the conclusion being the Genocide of Mankind.

Trump, math, time, the other Demigods, etc. will ensure that the truth comes out. That truth will incriminate the Federal Judiciary in the Genocide of Mankind.

The CIA and the FBI knew that Trump would disclose highly sensitive classified information for his own good and protection.

- American, Hero and Federal Whistleblower Chelsea Manning sits in prison because of Judge Anthony John Trenga.
- American, Hero, Federal Whistleblower Coast Guard Commander William Goetzee was murdered while in Federal custody because of the Federal Judiciary.
- American, Federal Whistleblower Air Force Captain David Andrew Christenson was falsely arrested, placed in isolation and medicated against his will and still he was never charged with a crime. He was classified as a terrorist. His defense attorneys were future Attorney General and Ex US Attorney Matthew Whitaker, US Attorney Linda Mott and US Attorney Billy Gibbens.

The Terrorism Watch List is a slap on the hand compared to the Murder of American, Hero, Federal Whistleblower Coast Guard Commander William Goetzee.

The Government has already moved on and created different lists, with different names, that criminally violate the Constitutional Rights of all Americans and again, the Federal Judiciary is responsible.

Judge Anthony John Trenga is as responsible for the criminal violations of all American's Constitutional Rights just as Hitler was for the Holocaust.

The Danziger Civil Rights Case in New Orleans after Hurricane Katrina. The Department of Justice had an electronic recording of what took place on the Danziger Bridge that day. The agreement between the defendants and prosecution was that the electronic recording would not be used and in exchange there would be no death penalty. The DOJ wanted a coverup conviction and not a murder conviction. They were hoping that the policemen would get 6 – 8 years for the cover-up and not the 65-year prison sentences that they got. God worked in a very mysterious way and gave the DOJ a World Series Winning Grand Slam. FBI Director Robert Mueller hedged his bet and assigned a two-year, non-investigator, to the case. The agent was convincing and became more convincing when he lied on the witness stand. This becomes exponentially more complicated because of the following: the US Navy was at the Danziger Bridge conducting illegal operational missions within the United States. American Sniper Chris Kyle actually bragged about murdering Americans in New Orleans. SEAL Team 22 from the Stennis Space Center, north of New Orleans on the Pearl River, committed genocide against our fellow Americans in violation of the Constitution and the Posse Act. It was Mueller's agents that were instrumental in covering up the murders.

Godspeed.

An Epic Constitutional Crisis. I am talking about the political destruction of all three branches (Executive, Judicial and Legislative) of our Federal Government. One hundred and fifty five million Americans and Canadians may be infected with The Katrina Virus. Did the United States Supreme Court participate in the criminal cover-up? Misprision is a crime/felony. In simple terms it means that you had knowledge of a crime and did nothing. Did the Supreme Court have knowledge? YES! I gave them the knowledge. The real question is: what did the Supreme Court do with the knowledge of The Katrina Virus and the cover-up?

There was no simple way to present this story. I fully acknowledge that the material is presented in an incoherent manner. What you are reading is a compilation of my communications with the Supreme Court since my arrest for cyberstalking FBI Special Agent Steven Rayes on March 15<sup>th</sup>, 2011. It must be emphasized that I was arrested on a Louisiana Warrant (not a Federal Warrant as one would expect.) and I have never been charged with a crime. A Louisiana Search and Seizure Warrant was used by the FBI to steal my evidence, documentation, etc. of what happened in New Orleans after Hurricane Katrina. In simplistic terms chemical warfare contaminants were released from DOD and CIA classified facilities. The United States Military conducted operational missions in violation of Federal Law and killed Americans. 1500 Americans are still missing. Were the contaminated bodies recovered, analyzed and burned in Federal Government incinerators? Are some of the bodies being kept alive in vegetative states so that the Federal Government can study the long term effects of the Katrina Virus? (Remember the Syphilis Studies in Alabama and Guatemala.)

This is a Prelude/Reference Book/Appendix. The end of the story has not been written. Judgment must not be passed upon the Supreme Court at this time. The Supreme Court may have actually protected me. Think about it. Who could the Supreme Court have turned to? Congress and the Executive Branch are responsible for the murder, genocide, treason and crimes against humanity. The only option for the Supreme Court may have been to provide me with the protection needed, to not only uncover the truth about the Katrina Virus, but to bring it to the attention of American and Canadian people.

An Unedited Synopsis.

Please Google all names.

THE RELUCTANT PATRIOT  
By Captain David Andrew Christenson  
(Book Nine in a nine part series.)  
Library of Congress LCCN 2011940256  
ISBN 978-0-9846893-0-9 Hardback  
ISBN 978-0-9846893-1-6 EBook

Factual, documented and verifiable account of what happened to (The Author) Captain David Andrew Christenson, United States Air Force, on March 15<sup>th</sup>, 2011.

On the morning of March 15<sup>th</sup>, 2011 the FBI brought a 30 man SWAT team, with shoot to kill orders, to arrest Captain David Andrew Christenson for a non-violent, non-domestic, non-drug misdemeanor charge (Equivalent of a DUI or DWI.) of cyber stalking FBI Agent Steven Rayes. This was done under the authority of FBI Director Robert Mueller. Misinformation was provided to the press. Six months earlier on October 14<sup>th</sup>, 2010 (This is a very important date, see below) FBI Agent Steven Rayes contacted Captain David Andrew Christenson. Why did Agent Rayes contact Captain Christenson? Agent Rayes was a member of the uniformed Violent Crimes Task Force and he was not a true investigative type FBI Agent. Captain Christenson had been communicating with FBI Director Robert Mueller, Agents David Welker, Dewayne Horner, Joseph Downing, Kelly Bryson and Paula McCants. Agent Rayes was selected by Director Mueller to be the enforcer. Agent Rayes was an ex-enlisted Marine and street cop with no conscience and was someone who would blindly follow orders understanding the illegal mission. Agent Rayes was zealous and sadistic in carrying out his orders. Agent Rayes ordered Captain Christenson to email him at his official FBI email addresses. Agent Rayes commenced to harass, stalk, threaten, intimidate and assault Captain Christenson. On November 10<sup>th</sup>, 2010 Agent Rayes assaulted Captain Christenson at the Hilton Hotel in New Orleans. There was a DVD of the assault. The FBI used a Louisiana State arrest warrant and a Louisiana State search and seizure warrant. **The FBI did not use Federal Warrants. This needs to be said again. The FBI did not use Federal warrants. Captain David Andrew Christenson has never been charged with a crime.** The FBI claimed that two out of more than 500 emails sent to at least 10 different FBI Agents, including FBI Director Robert Mueller, by Captain Christenson were threatening. The emails were not threatening and were consistent with previous informative and political emails. Captain Christenson never received an arraignment, a show cause hearing or a preliminary examination as is required by law. Orleans Parish District Attorney Leon Cannizzaro asked for a \$500,000.00 bond. The Orleans Parish Criminal Court gave Captain Christenson a

# Attachment 3

record bond of \$300,000.00. Captain Christenson should have been released on his own recognizance or a \$10,000.00 bond. (An armed carjacker received a \$75,000.00 bond.) Captain Christenson was held for 11 days in the Orleans Parish Prison without being charged with a crime. After day three Captain Christenson was placed in isolation on the psychiatric floor of the house of detention (HOD) where he was medicated without his knowledge or consent. Attorney General Eric Holder directed Assistant US Attorney Billy Gibbens to represent Captain Christenson, which he did. Criminal defendants are not represented by US Attorneys. Billy Gibben's mission was to discredit Captain Christenson and to keep him in prison. The court record confirms this. Captain Christenson was to be permanently detained in a psychiatric hospital, medicated and discredited. The Louisiana State search and seizure warrant was used to steal evidence, legal files, the DVD of FBI Agent Rayes assaulting Captain Christenson, the DVD of the Danziger Bridge murders, etc. from Captain Christenson. United States Supreme Court files and communications and evidence of "The Katrina Virus" and pending Genocide were stolen as well.

## **The Department of Justice classified Captain David Andrew Christenson as a**

**terrorist.** This was done to bypass Federal Law and the Federal Judiciary. It was relayed to Captain Christenson that if he did not stop his research and quest for justice that he would be assassinated as a terrorist.

The FBI attempted to murder/assassinate Captain David Andrew Christenson while he was being held in isolation in the Orleans Parish Prison. Coast Guard Commander William Wesley Goetzee was not so lucky. He was murdered in the Orleans Parish Prison on August 7<sup>th</sup>, 2011. The FBI failed with Captain Christenson but succeeded with Commander Goetzee.

What was so important that the United States Government had to classify Captain David Andrew Christenson as a terrorist and then attempt to murder/assassinate him?

Chemical warfare ingredients, "THE KATRINA VIRUS", were released during Hurricane Katrina. The end result will be GENOCIDE for the residents of New Orleans. ("The Katrina Virus" represents all of the contaminants that were released from government research/laboratory, manufacturing and storage facilities. These facilities were controlled directly and indirectly by the Department of Defense and the Central Intelligence Agency and included public institutions such as local hospitals and medical schools. The Harvard University Medical School has been tasked with studying and tracking the long term health/medical issues and "The Katrina Virus".

## **The United States Military killed, executed and murdered Americans during Hurricane Katrina and after.**

A side note. Secretary of Defense Donald Rumsfeld had a very public disagreement with President George Bush concerning the use of the military. Captain Christenson does not recall there ever being a public disagreement between the President and the Secretary. What is strange is that the press never picked up on the disagreement. Secretary Rumsfeld already knew about what the military had done and was concerned about the liabilities. President Bush had to order Secretary Rumsfeld to send in the troops. General Russel Honore and the troops arrived five days after Hurricane Katrina. General Honore

# Attachment 3

confirmed to me that he was only responsible for what the military did after he arrived and not before. He was adamant about that. Both he and Coast Guard Admiral Mary Landry lost promotions, their next star and were forced to retire. Why the five day delay when plans and procedures require the securing of an urban area within 72 hours after a catastrophe. There were several reasons for the delay. "The Katrina Virus" would disperse. The DOD and the CIA, in connection with the United States Navy, could clean up the mess without having the press around. It was brilliant the way the Federal Government kept the press occupied with the rescue missions, the superdome and the convention center. Louisiana Governor Kathleen Blanco was intentionally manipulated by the Federal Government and made into a scapegoat. FEMA Director Michael Brown was manipulated as well.

The BP oil spill. To be Written.

The Danziger Bridge. To be written.

Books Seven and Eight will start in September, 2005. The US Military arrives in New Orleans in the days preceding Hurricane Katrina. The units were issued millions of dollars in cash in satchels. Confirmed by Teresa McKay, Director of Department of Defense Finance and Accounting Service (DFAS). Teresa's husband, Jeffery McKay, and I attended the Air Force Academy together and were roommates in flight school. JK works in the Pentagon and is also one of my sources. In the days following Hurricane Katrina President Bush and Air Force One did a flyover of New Orleans but did not land. The White House issued a press release stating that security was not in place and that the President's landing would detract from the rescue missions. As an Air Force Pilot I flew support missions for the President, Air Force One and the Secret Service. I am intimately familiar with their procedures and protocols. President Bush and Air Force One did not land because The White House did not want to infect the President and his staff with "The Katrina Virus" as was confirmed by Ambassador Donald Ensenat. Security was in place and Belle Chase Naval Air Station was operational and secure. The senior leadership in New Orleans gave blood and DNA samples. This as well as other connections to "The Katrina Virus" were confirmed by Mayor Ray Nagin. After the Hurricane, USAA Insurance (A military insurance company run by Generals and Admirals with strong ties to the Pentagon.) informed us that they would be paying our claim because of the long term health issues that we would face. What did USAA know? In February, 2006 we purchased a condominium, under fraudulent circumstances, from Louis (Lee) Madere. He was the Louisiana State Grand Jury Foreman for the Danziger Bridge Murders. (*I cannot invent the truth*) The Catholic Church had filed a class action video voyeurism lawsuit against him. Madere entered the Federal Witness Protection Program on October 15<sup>th</sup>, 2010 (The important date from above.). Secretary of HUD, Mayor and Judge Moon Landrieu, the father of Senator Mary Landrieu and Mayor Mitch Landrieu, was a major source of information.

State Farm Insurance and the murder of prominent Los Angeles attorney James Robie of the Robie Matthai Law Firm. To be written. Please review your homeowner's policy. The medical liability provision of the homeowner's policy is substantial larger than the property loss provision. A \$100,000.00 home could have a \$5,000,000.00 medical liability provision. The loss to the insurance companies would be trillions of dollars if it was shown that "The Katrina Virus" was released.

Amicus/Notice 67 – Every Judge is just as crazy and delusional as Trump and just as much a criminal.

Is the following true?

In 2016 did the CIA and the FBI know that Trump was crazy, delusional and a criminal? Yes.

In 2016 did the CIA and the FBI know that Trump was conspiring with the Russians to secure his Presidential Election Victory? Yes. (They also knew that Clinton was crazy, delusional and a criminal but just not as bad as Trump. The least of two evils.)

The CIA could not disclose the truth about Trump and the Russians without breaking the law and disclosing highly classified information. National Security was too important. The FBI tried. (This is why no one in the DOJ/FBI will be charged with a crime. It is also why McCabe and Strzok have been so brazen in filing civil complaints against the DOJ/FBI. It is why Comey thinks he deserves an apology.)

The extraction of the CIA Agent from Russia is amazing. (The truth will come out.)

The following is true.

The courts have protected the criminal conduct of our Government with the conclusion being the Genocide of Mankind.

Trump, math, time, the other Demigods, etc. will ensure that the truth comes out. That truth will incriminate the Federal Judiciary in the Genocide of Mankind.

The CIA and the FBI knew that Trump would disclose highly sensitive classified information for his own good and protection.

**THE PARADOX AND WHY I AM HERE**

**BLACKMAIL AND EXTORTION WITH AMERICANS AND MANKIND PAYING THE PRICE**

**YOUR ARE THE PERFECT SUNARCISSIST, YOU HAVE CHOSEN SUICIDE OVER HONOR**

All of you, all three branches of our government, participated in the coverup of the negligent release of the Katrina Virus and the murdering of Americans by the US Military during Hurricane Katrina. You covered up the Genocide of Mankind.

You, the criminals, are making a case that you can only be so much of a criminal and that in most cases you're being a criminal is for the greater good. The problem is Trump. He turned being a criminal into becoming the President and you helped. You reap what you sow.

**IN ORDER TO STOP TRUMP, YOU WILL HAVE TO KILL HIM OR ADMIT THAT YOU ARE RESPONSIBLE FOR THE GENOCIDE OF MANKIND – THAT IS THE PARADOX**

- What happened to the Judiciary was insidious. It has happened to every civilization. It is why every civilization has failed.

**GOD IS GIVING YOU A CHANCE TO SERVE YOUR PENANCE HERE ON EARTH JUST LIKE ME.**

Attachment 1: Notice 65 — “Nuke the Hurricanes” by President Donald Trump page 1 only

Food for thought. Did our government turn Hurricane Dorian? Trump stated it was going to Alabama and has not backed down. Why? We know he is protecting and benefiting himself but why?

I live by the following

*When a lawyer and expert of the law asked Jesus what the most important commandment is, Jesus responded, "To love the Lord your God with all your heart, with all your soul, and with all your mind...The second is to love your neighbor as yourself." All the Law and the Prophets hang on these two commandments.*

*A Christmas Carol in Prose; Being a Ghost Story of Christmas by Charles Dickens*

*Jacob Marley "Mankind was my business. The common welfare was my business; charity, mercy, forbearance, and benevolence, were, all, my business. The dealings of my trade were but a drop of water in the comprehensive ocean of my business!"*

An Epic Constitutional Crisis. I am talking about the political destruction of all three branches (Executive, Judicial and Legislative) of our Federal Government. One hundred and fifty five million Americans and Canadians may be infected with The Katrina Virus. Did the United States Supreme Court participate in the criminal cover-up? Misprision is a crime/felony. In simple terms it means that you had knowledge of a crime and did nothing. Did the Supreme Court have knowledge? YES! I gave them the knowledge. The real question is: what did the Supreme Court do with the knowledge of The Katrina Virus and the cover-up?

There was no simple way to present this story. I fully acknowledge that the material is presented in an incoherent manner. What you are reading is a compilation of my communications with the Supreme Court since my arrest for cyberstalking FBI Special Agent Steven Rayes on March 15<sup>th</sup>, 2011. It must be emphasized that I was arrested on a Louisiana Warrant (not a Federal Warrant as one would expect.) and I have never been charged with a crime. A Louisiana Search and Seizure Warrant was used by the FBI to steal my evidence, documentation, etc. of what happened in New Orleans after Hurricane Katrina. In simplistic terms chemical warfare contaminants were released from DOD and CIA classified facilities. The United States Military conducted operational missions in violation of Federal Law and killed Americans. 1500 Americans are still missing. Were the contaminated bodies recovered, analyzed and burned in Federal Government incinerators? Are some of the bodies being kept alive in vegetative states so that the Federal Government can study the long term effects of the Katrina Virus? (Remember the Syphilis Studies in Alabama and Guatemala.)

This is a Prelude/Reference Book/Appendix. The end of the story has not been written. Judgment must not be passed upon the Supreme Court at this time. The Supreme Court may have actually protected me. Think about it. Who could the Supreme Court have turned to? Congress and the Executive Branch are responsible for the murder, genocide, treason and crimes against humanity. The only option for the Supreme Court may have been to provide me with the protection needed, to not only uncover the truth about the Katrina Virus, but to bring it to the attention of American and Canadian people.
